ON LAND EVENTS

Always Oarsome is not just about rowing on the water (although this is the best bit!). Our range of wellbeing focused workshops can be delivered to your teams at your premises, or pretty much anywhere!

For these events, we take the life changing lessons we've gained from rowing and make them applicable to you and your teams. Designed to massively improve wellbeing and resilience for the workplace and for life.

Fully tailored to suit your needs, our workshops can focus on teambuilding, communication, leadership and wellbeing.

Our taster workshops (three hours) start at £250.
